

# Creative Literacy Programs for Schools

100  
Story  
Building

Transform writing units  
and ignite creativity  
in your classroom!

## Discover diverse and imaginative programs and workshops with 100 Story Building.

**100 Story Building** is a unique organisation for young writers. We work with children and young people to build literacy skills, confidence and sense of belonging that are fundamental to future success. Our programs and workshops are ACARA aligned and support the learning areas and capabilities of English, Literacy, and Critical and Creative Thinking.

## Book a creative literacy experience with 100 Story Building!

Our workshops can be delivered as an excursion to the magical world of 100 Story Building in Footscray, as an adventure-packed incursion in your school, or as a dynamic online exploration.

### Workshop Costs & Details

One class at 100 Story Building: \$450

One class at your school: \$550

One class online : \$450

Follow on 30min Teacher PL session with any workshop: \$300

The content and delivery of workshops can be adapted to suit your needs. Contact us and we can package up an exciting tailor-made literacy program for your school.

*"I've never had a class full of students so excited about narratives."*

## PROGRAMS

### EARLY HARVEST

Transform narrative writing with Early Harvest.

Guided by expert facilitators, industry professionals and a famous author or two, Early Harvest supports students and teachers with an in-school program based on the professional publishing process over two terms.

*“Students were so excited to write their ‘Choose your own adventure’ story. Students were so excited to share ideas and be able to write their own pieces.”*

Primary School Teacher

### STORY HUBS

Story Hubs is a school and community program aimed at developing curious, confident and engaged learners.

We work with your school to develop a unique creative space—a Story Hub—co-designed with your students. Story Hubs is a three-year immersive program.

*“Working with 100 Story Building in the Story Hub has shown me that writing can be inspiring and challenging and that children will write if provided with the right stimulus. This includes the environment for writing.”*

Primary School Teacher

### SPARKING CREATIVITY

Increase creativity and collaboration in the classroom with our Teacher Professional Learning programs.

We help teachers bring fresh strategies and dynamic approaches to literacy and creative writing in this immersive multi-term professional learning program. The Sparking Creativity program includes student workshops, PL days and responsive coaching.

*“Sparking creativity deepened our enjoyment of teaching writing and for encouraging and accepting all student ideas. Seeing their confidence grow was super rewarding.”*

Primary School Teacher

## WORKSHOPS

### Choose Your Own Adventure

Ever wondered what would happen if a character in a book went through a different door? Using branching storylines, students write a *Choose Your Own Adventure* story with one beginning and four endings!

Recommended for Year 4-9

120 minutes

Creative Decision Making | Story Planning | Narrative Structure

### A Perilous Quest

Create a hero and write an epic comic full of traps, monsters and villains. Can the hero retrieve the treasure with just their wits and a backpack of household items?

Recommended for Year 4-9

120 minutes

Creative Decision Making | Story Planning | Narrative Structure

### Comic BOOM!

Remember a time when you set out to do something 'good' but it didn't turn out as you planned? Turn your life into an exciting comic and bend the truth with the use of literary embellishments, story pacing and narrative arcs.

Recommended for Year 3-6

120 minutes

Story Arcs | Personal Narrative | Dramatic Tension

### Space Write

We've received strange signals from space and need brave astronauts to plan an adventure to the stars! Design your spacecraft, scan the planet, and make a comic about exploring this strange world.

Recommended for Year 3-6

120 minutes

World Building | Idea Generation | Problem Solving

### 100 Stories Down

Strange objects have surfaced from 99 levels below the trapdoor! What are they? Use your illustration and imagination skills to create settings and ideas to propel your creative writing.

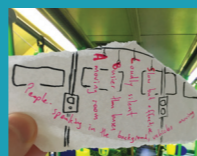

Recommended for Year 1-4

90 minutes

Idea Generation | Speculative Fiction | Imagination

### My Place: Instapoetry

Inspire creativity and self-reflection to create meaningful and creative poetry. Students experiment with text and images inspired by popular social media platforms to create short form poetry.

Recommended for Year 7-12

90 minutes

Poetry | Visual Language | Self Expression

### Weaving The Moon

The night can be dark and mysterious—or full of beauty and calm! In this poetry workshop create a bank of sensory words and shape them into drawings and poems based on personal memories of nighttime.

Recommended for Year 3-6

90 minutes

Personal Reflections | Text and Poetry | Sharing

### Craft of the Draft

Enhance editing by making it fun and achievable. Using an engaging framework, you'll think about what makes a great story, how you want your readers to feel and make your story the best it can be!

Recommended for Year 5-6

120 minutes

Editing | Emotional Connection | Self-Evaluation

### Follow on Teacher Professional Learning

Explore strategies to embed creativity in the classroom and activities to unpack the creative process, and promote student wellbeing and agency. Take advantage of Teacher PL sessions to build on every class workshop experience.

Recommended for all teaching staff and literacy leads

30 or 60 minutes

### Masterclasses for Advanced Learners

Discover extension workshops for VHAP or high-ability students to stretch their wings and take on an extra challenge.

Recommended for Year 5-10

3 hours—Half day

Idea Generation | Story Structure | Plot Development
